

# USC Viterbi School of Engineering Master of Science Programs

## **Tuition & Fees**

This information is for engineering/computer science Master of Science programs offered by the USC Viterbi School of Engineering requiring the successful completion of a minimum of 27 units of graduate engineering coursework.

Tuition and fees for the academic year 2018-2019 are as follows:

Per Unit Graduate Engineering Tuition	\$2005
Mandatory Fees (approximate)	\$400
Health Insurance (these are the 2017/18 costs, 2018/19 costs will be available sometime in May/June)	Fall Semester – \$670 Spring & Summer Semester – \$1,205

- Please note that tuition and fees are subject to increase each academic year.
- The typical breakdown of tuition and fees by semester on the following page is based on the academic year 2018-2019 rate. Health insurance rates are based on 2017/18 rates (2018/19 will be available in June at http://engemannshc.usc.edu/insurance/insurance-plan.
- The tuition and fees rates and health insurance for academic year 2019-2020 have not been published and actual tuition, fees and health insurance rates for those semesters is expected to be higher.

## Sample Course Plan 27-Unit Master's Program

### Fall 2018 (term begins August 20, 2018)

Graduate Engineering Tuition (6 units)	\$12,030
Mandatory Fees (approximate) (includes \$55 new graduate student fee)	\$455
Health Insurance	\$670

### Spring 2019 (term begins January 7, 2019)

Graduate Engineering Tuition (9 units)	\$18,045
Mandatory Fees	\$400
Health Insurance	\$1,205

#### **Fall 2019** (term begins August 26, 2019)

Graduate Engineering Tuition (9 units)	\$18,045
Mandatory Fees	\$400
Health Insurance	\$670

#### Spring 2020 (term begins January 13, 2020)

Graduate Engineering Tuition (3 units)	\$6,015
Mandatory Fees	\$400
Health Insurance	\$1,205

Total Tuition & Fees	\$55,790
Total Cost (including health insurance)	\$59,540

Depending on if the student requires prerequisite courses, the total number of units required may be higher.

The Master of Science in Petroleum Engineering program can requires 1-5 prerequisite courses, bringing the total to between 30 and 42 units.

The above are based on 2018/19 tuition and 2017/18 health insurance costs. Both of these costs change every fall, so the amounts shown are approximate.
