MAY 1

is the deadline to submit the Statement of Intent.

If you're accepting your admission offer, you'll also need to submit a non-refundable \$500 deposit, which will be applied toward your tuition upon enrollment at USC. If you have decided not to accept the offer of admission, we would appreciate it if you would submit the Statement of Intent to inform us of your decision so we may discontinue sending you updates from the Viterbi School.

International Students:

If you have not already submitted your financial documents, the deadline to do so is **April 15, 2019**. Kindly ensure that you submit your financial documents and passport copy by this date to ensure timely processing of your admission.

We look forward to welcoming you to USC this fall!
