# Viterbi School at a Glance

---

## Academic Departments

- 8 Academic Departments

## Faculty

- 191 tenure-track faculty
- 16 Full-time, TT NAE Members
- 70+ NSF CAREER, National & Presidential Young Investigator

## Student Populations (Fall 2019)

- 2,848 Undergraduate
- 6,199 Graduate students

## Research

- Leader in funded research
- 35+ Research Centers
- More than \$208M in research expenditures annually

# Engineering Degree Options

---

**40 Master's degrees and 5 Graduate Certificates  
available via online delivery**

## Academic Departments

- Aerospace & Mechanical Engineering
- Astronautical Engineering
- Biomedical Engineering
- The Mork Family Department of Chemical Engineering & Materials Science
- Sonny Astani Department of Civil & Environmental Engineering
- Computer Science
- Ming Hsieh Department of Electrical and Computer Engineering
- Daniel J. Epstein Department of Industrial and Systems Engineering

- Petroleum
- Systems Architecting

# How DEN@Viterbi Works

---

The Viterbi School of Engineering uses a state-of-the-art, proprietary web-based delivery system that enables students from around the world to access classes live on-demand, or download.

## DEN@Viterbi Students:

- View the same lectures as on-campus students, with fresh content every semester
- Participate in highly interactive discussions with professors and peers
- Submit homework electronically
- Take exams at proctored testing centers near their home or work (or at USC if in the Los Angeles, Orange, or Ventura counties)

# DEN@Viterbi Overview

	DEN@Viterbi Student	On-Campus Student
Program Admission	USC Graduate Application & required materials	USC Graduate Application & required materials
Weekly Course Lectures	Online with Interactivity	On USC's Campus
Online Course Archives (Lectures & Course Documents)	✓	✓ *
Assignments	Submit electronically according to course deadlines	Submit during lecture or lab according to course deadlines
Exams	Proctored location	USC's campus
Courses per Semester (Average)	1-2	3-4
Degree Completion Requirements	27-37 units with a 3.0 GPA or above	27-37 units with a 3.0 GPA or above
USC Diploma (No Distinction)	✓	✓

\*DEN@Viterbi Sections Only

# DEN@Viterbi's E-Learning System

---

DEN@Viterbi Classroom

# Enrollment Category: Admitted

---

## Graduation Requirements

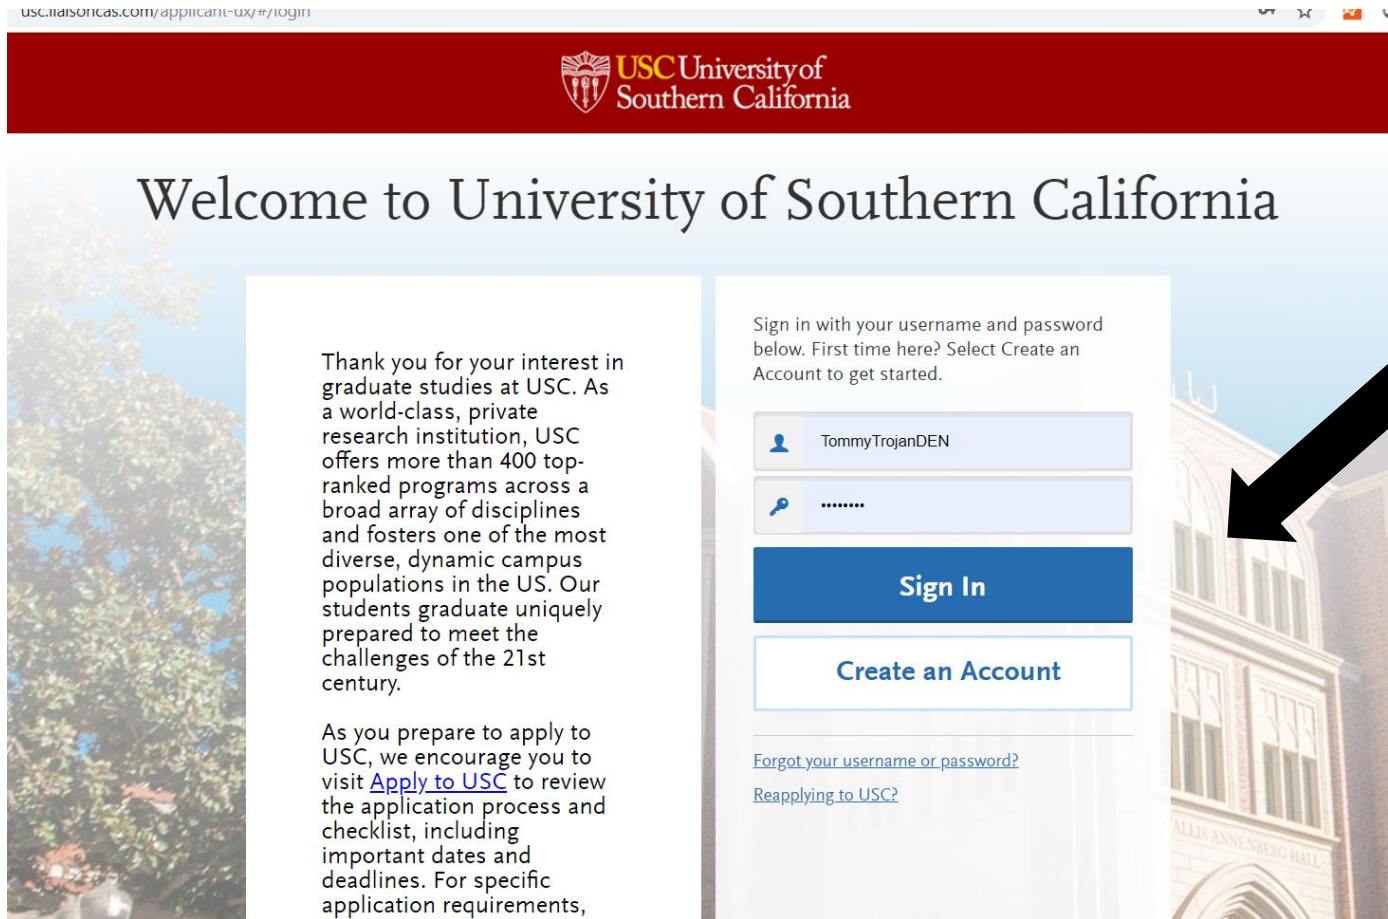

- Minimum 27-37 units (9-12 courses) of approved graduate coursework with at least a 3.0 overall GPA
- Most DEN@Viterbi students take 1-2 courses per semester
- DEN@Viterbi students generally take 2.5-3 years to complete their degree

With departmental approval, a maximum of 4 units may transfer from another graduate institution.

# Graduate Application

The screenshot shows the USC Graduate Online Application portal. At the top is a red header with the USC University of Southern California logo. Below the header, the text "Welcome to University of Southern California" is displayed. On the left, a welcome message thanks the user for their interest in graduate studies at USC. On the right, there is a sign-in form with fields for username (TommyTrojanDEN) and password (masked with dots). Below the password field are buttons for "Sign In" and "Create an Account". At the bottom of the sign-in section, there are links for "Forgot your username or password?" and "Reapplying to USC?". A large black arrow points from the "Create an Account" button towards the right side of the slide.

**USC** University of Southern California

## Welcome to University of Southern California

Thank you for your interest in graduate studies at USC. As a world-class, private research institution, USC offers more than 400 top-ranked programs across a broad array of disciplines and fosters one of the most diverse, dynamic campus populations in the US. Our students graduate uniquely prepared to meet the challenges of the 21st century.

As you prepare to apply to USC, we encourage you to visit [Apply to USC](#) to review the application process and checklist, including important dates and deadlines. For specific application requirements,

# Graduate Application: Modules

**Modules: you must complete all 4 modules of the application**

The screenshot displays the 'My Application' dashboard for USC Viterbi. The background features a photograph of a historic university building. The dashboard is organized into several sections:

- My Application:** A header section with a description: 'This dashboard is your application home providing access to each part of the application you need to complete and a high level overview of your progress.'
- Latest Notifications:** A sidebar on the left containing two notifications:
  - University of Southern California application - Account updated (07/01/2019)
  - Welcome Back to University of Southern California (06/26/2019)A 'View My Notifications' button is located at the bottom of this section.
- Getting Started?** A grey banner at the top right with the text: 'Speed up your application by entering your colleges attended first.'
- Four Main Modules:** The central area is divided into four quadrants, each representing a module with a progress indicator (a circular gauge with a green dot and a checkmark):
  - Personal Information:** 0/8 Sections Completed. Icon: ID card.
  - Academic History:** 0/5 Sections Completed. Icon: Graduation cap.
  - Supporting Information:** 0/5 Sections Completed. Icon: Folder.
  - Program Materials:** 0/2 Sections Completed. Icon: Open book.

# My Application → Personal Information

The screenshot displays the 'My Application' dashboard for USC Viterbi. On the left, a 'Latest Notifications' box contains two messages: 'University of Southern California application - Account updated' dated 07/01/2019, and 'Welcome Back to University of Southern California' dated 06/26/2019. A 'View My Notifications' button is below. The main area features a 'Personal Information' header with a progress indicator showing 0/8 sections completed. Below this is a vertical list of application sections: 'Release Statement', 'Biographic Information', 'Contact Information', 'Citizenship Information', 'Race & Ethnicity' (highlighted in dark blue), 'Other Information', and 'Financial Aid, Awards and Fellowships'. The background of the dashboard shows a blurred image of a university building.

**USC Viterbi**  
School of Engineering

# Academic History → Colleges Attended

**Colleges Attended**

To add colleges, click the Add a College button below. You may update the information in this section at any time prior to submission.

Please list **all** colleges and universities you have attended (including any community college, study abroad term, summer enrollment or ESL studies), in chronological order, starting from the first one after high school graduation. **Note: Students with qualifications from India must enter the name of the degree-granting university and not their affiliated college.**

We highly recommend that you upload a copy of your official university-issued transcript (on institutional letterhead) using the "Upload Transcript" button. Please follow USC's [country specific requirements](#) to determine what academic records you should upload. **Unofficial transcripts from student portals that do not have an official signature are not acceptable.** If you do not have a copy of your official transcript at present, you may skip the upload feature and log back into the application after submission to upload them at a later date.

Please use our [College/University Transcript Cover Page](#) to send official transcripts from your institutions of study. Information on USC's transcript requirements is available [here](#).

**+ Add a College**

**MY ATTENDED COLLEGES**

**UNIVERSITY OF SOUTHERN CALIFORNIA**

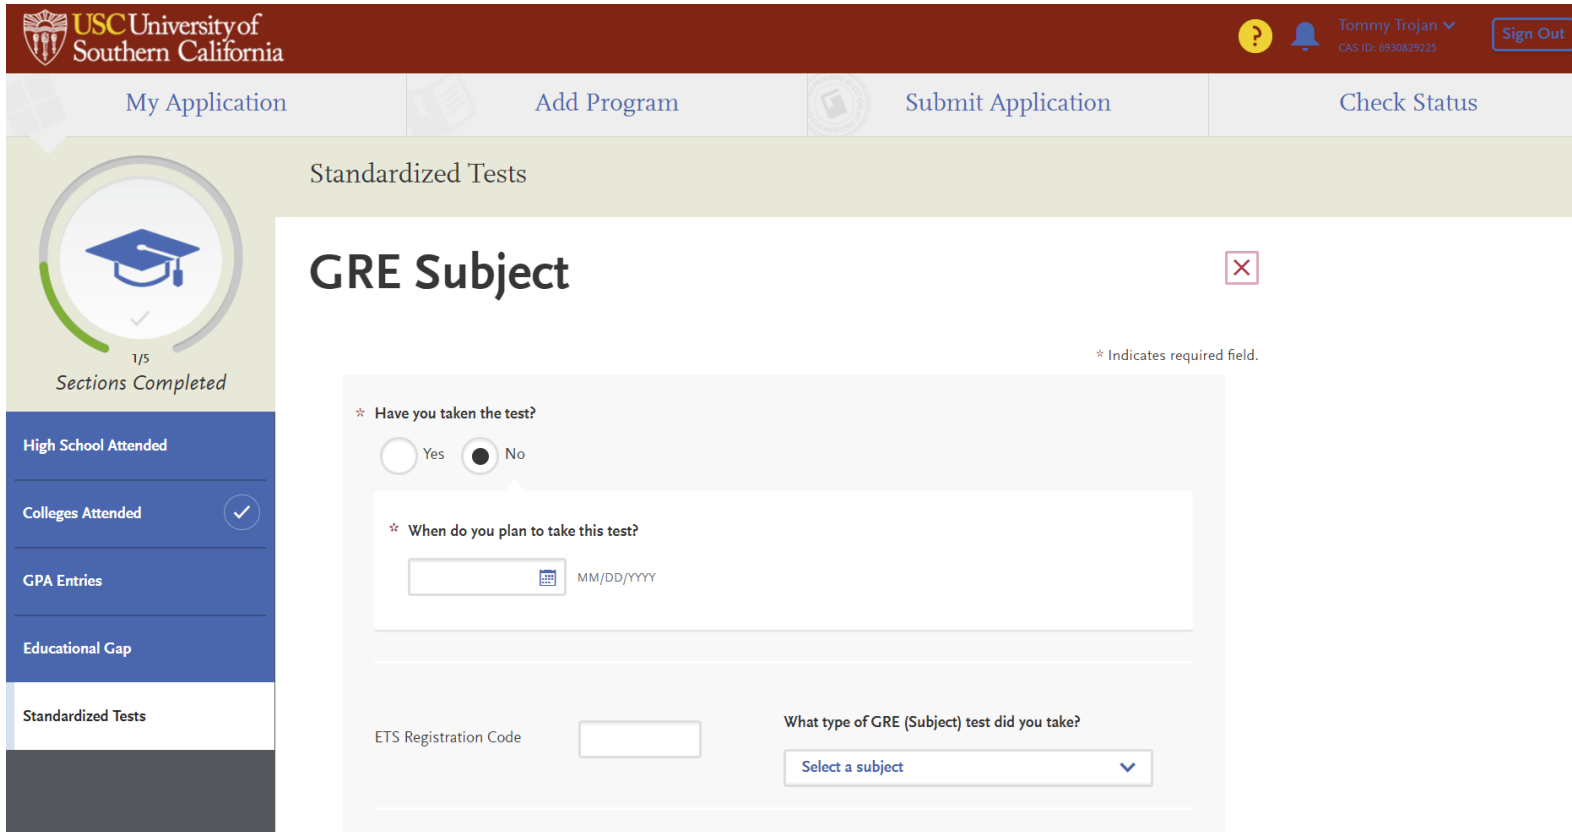

February 2006 - March 2012 | Semester | Science Degree Earned: March 2009

**Upload Transcript**

Add all post-secondary educational institutions you have attended, including USC (if Limited Status).

You must upload a copy of your university-issued transcript (on institutional letterhead)

# Academic History → Standardized Tests (GRE)

The screenshot shows the USC Viterbi application portal. The top navigation bar includes the USC logo, user name (Tommy Trojan), and a sign-out button. Below the navigation bar are four tabs: My Application, Add Program, Submit Application, and Check Status. The main content area is titled "Standardized Tests" and features a circular progress indicator showing "1/5 Sections Completed". The left sidebar lists application sections: High School Attended, Colleges Attended (checked), GPA Entries, Educational Gap, and Standardized Tests (selected). The main form is titled "GRE Subject" and contains the following fields:

- \* Have you taken the test? (Radio buttons for Yes and No, with No selected)
- \* When do you plan to take this test? (Date input field with MM/DD/YYYY format)
- ETS Registration Code (Text input field)
- What type of GRE (Subject) test did you take? (Dropdown menu with "Select a subject" option)

\* Indicates required field.

**Send your official score reports directly to USC.**

USC ETS school code: **4852**

If you do not have your scores, you can leave this section blank and USC will refer to your official score report. Do not let this section delay your submission of the application.

# My Application → Supporting Information

The screenshot displays the USC University of Southern California application dashboard. The top navigation bar includes the USC logo, user information (Tommy Trojan, CAS ID: 6930829225), and a 'Sign Out' button. Below the navigation bar, there are four tabs: 'My Application', 'Add Program', 'Submit Application', and 'Check Status'. The 'My Application' tab is active, showing a 'My Application' section with a description of the dashboard's purpose. To the right, the 'Supporting Information' section is highlighted, showing a progress indicator (0/5 Sections Completed) and a list of sections: Experiences, Achievements, Conferences Attended, Memberships, and Documents. A 'Latest Notifications' sidebar on the left lists two notifications about the application status, both dated 'Last week', with a 'View My Notifications' button at the bottom.

Documents

### UPLOAD TIPS

- Review Uploaded Documents**  
The uploading process may have altered your formatting. Please review before submitting.
- Accepted File Types**  
.doc, .docx, .pdf, .rtf, .txt, .jpg, .jpeg, .png. The size limit for each file upload is 15MB.
- Do Not Password Protect Your Documents**  
Protected documents will not be sent with your application.
- Conceal Your Social Security Number**  
Only use correct redaction symbols.

\* 1. CV/Resume

+ Add Document

## Resumé/Curriculum Vitae:

There is no 'right' approach to structuring your resumé/CV when updating it to apply for graduate school.

However, it is a good idea to take some time to identify the skills and achievements you would like to highlight for your graduate program and structure the document accordingly.

You will be required to upload a copy of your resumé/CV as part of your application.

# My Application → Program Materials

The screenshot shows a web application interface for USC Viterbi. At the top is a dark red header with the USC University of Southern California logo on the left. On the right of the header are a yellow question mark icon, a blue bell icon, the user name 'Tommy Trojan' with a dropdown arrow, the CAS ID '6930829225', and a blue 'Sign Out' button. Below the header is a light gray navigation bar with four buttons: 'My Application' (active), 'Add Program', 'Submit Application', and 'Check Status'. The main content area has a background image of a brick building with arched windows. On the left, under the 'My Application' heading, is a text block stating: 'This dashboard is your application home providing access to each part of the application you need to complete and a high level overview of your progress.' Below this is a 'Latest Notifications' section with two items: 'Your University of Southern California application is ready' and 'Your University of Southern California reapplication request', both dated 'Last week'. A blue button 'View My Notifications' is at the bottom of this section. On the right, under the 'Program Materials' heading, is a circular progress indicator showing '0/1' sections completed. Below this is a blue banner for 'Aerospace and Mechanical Engineering (Computational Fluid and Solid Mechanics) (M.S.)' at the 'Viterbi School of Engineering'.

## Program Materials

0/1 Sections Completed

**Aerospace and Mechanical Engineering (Computational Fluid and Solid Mechanics) (M.S.)**  
Viterbi School of Engineering

# Program Materials → Documents

The screenshot shows the USC Viterbi application portal. At the top, there's a red header with the USC University of Southern California logo and a user profile for Tommy Trojan. Below the header, there's a navigation bar with four tabs: My Application, Add Program, Submit Application, and Check Status. The main content area is titled 'USC Viterbi' and shows the 'Documents' tab selected for the 'Aerospace and Mechanical Engineering (Dynamics and Control) (M.S.)' program. The deadline is 01/15/2020. The left sidebar shows a progress indicator for 'Sections Completed' (0/2) and lists the programs: Aerospace and Mechanical Engineering (Dynamics and Control) (M.S.) and Mechanical Engineering (M.S.). The main content area includes a 'Program Description and Application Instructions' section with a link to 'here' for more information. It also mentions 'Available Online' for professional engineers through the Distance Education Network (DEN@Viterbi). An 'Important note' states that international students must be approved by DEN@Viterbi before submitting an application. At the bottom, there's a 'Program Details' section with fields for Delivery (On-Campus or Online), Start Term (Fall), and Program Level (Master).

Submit personal statement (required for all) and any supplemental materials (i.e. letters of recommendation, etc.) that are required by the department.

- For a list of the supplemental materials required for your degree program, please visit individual program pages for details: <http://viterbi.usc.edu/DENDegrees>

# Program Materials → Recommendations

If applying to a program requiring Letters of Recommendation, add the name and information for each recommendation provider in the “Recommendation” section.

Once you have saved an electronic evaluation request, an email will automatically be sent to the evaluator on your behalf.

Do NOT wait to submit your application even if your letters have not yet been submitted by your recommenders. This is a separate module of the application.

You WILL be able to check the status of letters once the application has been submitted.

The screenshot displays the USC Viterbi online application interface. At the top, a red header bar contains the USC University of Southern California logo, a user profile for Tommy Trojan (CAS ID: 6930829225), and a 'Sign Out' button. Below the header, a navigation bar includes links for 'My Application', 'Add Program', 'Submit Application', and 'Check Status'. The main content area features the 'USC Viterbi' logo and a sidebar on the left with a progress indicator showing '0/2 Sections Completed' and a list of programs: 'Aerospace and Mechanical Engineering (Dynamics and Control) (M.S.)' and 'Mechanical Engineering (M.S.)'. The 'Mechanical Engineering (M.S.)' program is selected, showing a 'Deadline: 09/15/2019' and a navigation menu with 'Home', 'Documents', 'Recommendations', and 'Questions'. The 'Recommendations' section is active, displaying instructions: 'Recommendations are optional. Recommendations should be from faculty or others (supervisors, professional colleagues, etc.) qualified to evaluate your potential for graduate study. Recommendations should be submitted through the online application. Once you have saved an electronic recommendation, an email request will automatically be sent to the recommender on your behalf. Please advise your recommender to look for this email in their inbox, as well as their spam or junk-mail folder, as emails do occasionally get filtered out.' Below the instructions are two buttons: 'Add Recommendation' and 'I Am Not Adding Any Recommendations'. At the bottom, a section for 'Comprehensive Recommendation' shows a progress bar with three empty boxes and the text '0 required - 3 total allowed'.

Individuals pursuing their graduate program online from outside of the United States must review the required pre-approval steps found at [DEN@Viterbi - Pursuing Programs Outside the United States](#).

Important Note: In order to pursue programs from outside the United States, individuals must first receive approval from DEN@Viterbi prior to submitting the online graduate application for admission. Please note, international students requiring an F1 visa are not eligible to pursue their graduate degree program online.

Online or On-Campus: Identify how you intend to pursue your graduate degree program.

★ Do you intend to pursue your graduate program fully online?

☒ Yes ☐ No

Have you taken courses or enrolled as a DEN@Viterbi student in the past?

☐ Yes ☐ No

If you are employed, is your employer providing tuition assistance?

☐ Yes ☐ No

Will you be located outside of the United States while pursuing your degree?

☐ Yes ☐ No

## DEN@Viterbi Applicants:

Applicants intending to pursue their program online via DEN@Viterbi should complete the 'Questions' section in its entirety.

If admitted, this will enable USC Viterbi to send you appropriate information regarding registering as a DEN@Viterbi student.

# Viterbi Graduate Admission

---

For any questions following the submission of your application, please contact Viterbi Graduate Admission:

**Email: [viterbi.gradadmission@usc.edu](mailto:viterbi.gradadmission@usc.edu)**

When contacting USC, reference your unique 10-digit USC ID number.

# Application Deadlines

---

## Application Deadlines

### Fall 2020

- Application Deadline Extension: Online DEN@Viterbi applicants have until March 31, 2020 to submit all required materials

### Spring 2021

- Deadline to submit all required materials: September 15, 2020\*

*\* A deadline extension for DEN@Viterbi applicants may be available. Please email [DEN@Viterbi.usc.edu](mailto:DEN@Viterbi.usc.edu) for more information.*

#### Helpful Links:

List of DEN@Viterbi Programs

<http://viterbi.usc.edu/DENDegrees>

USC Graduate Application:

<https://usc.liasoncas.com>

# Frequently Asked Questions

---

## When will I find out my admission's decision?

*Applications will not be reviewed until all required materials have been submitted.*

*The length of time it takes for an application to be reviewed varies by department and degree program. After your application package is complete, it is sent to a graduate committee for review. Once a decision is made, an official decision letter will be sent to you.*

# Frequently Asked Questions

---

## **If I am denied admission, can I still take classes via DEN@Viterbi as a Limited Status Student?**

*Individuals that have been denied admission to a graduate program at the USC Viterbi School of Engineering are no longer eligible to enroll as a Limited Status Student.*

*If you are denied admission, we do encourage you to reapply for formal admission for a future semester.*

# Tuition & Fees (2019-2020)

---

## Example of tuition and fees for a DEN@Viterbi Student

PER-COURSE FEES	Unit Cost	Tuition for 3-Unit Course	Tuition for 4-Unit Course
Tuition for 500/600 level course	\$2,075	\$6,225	\$8,300

PER-SEMESTER FEES	Cost	Total per semester
Engineering Access Fee	\$35	\$35
Norman Topping Student Aid Fund	\$8	\$8

*\* Additional fees include textbooks (\$150 - 200) and exam proctoring fees (\$40 - 100)*

# DEN@Viterbi Scholarship

---

Merit-based scholarship awarded to outstanding students pursuing a master's program fully online via DEN@Viterbi

## Scholarship Details

- Partial scholarships ranging from 1-4 units of tuition are available for students pursuing a Viterbi master's program fully online and who receive partial or no tuition reimbursement funds from their employer
- Funding provided during awarded academic year. Applicants can reapply each academic year for future scholarship consideration
- Deadline to apply for **Fall 2020: July 24, 2020**

**More Information & Application:**

<https://viterbi.usc.edu/gradscholarships>

# Employer Reimbursement Deferment

---

Students supported by a company can defer payment of up to 90% of tuition until after the semester is over.

## Program Eligibility

- Your employer reimburses you for tuition at the end of each term.
- Your student account is current.

**Program Participation Requirements** (required every semester prior to the settlement deadline each term)

- Complete and submit deferment application
- Pay 10% of tuition, 100% of all fees and a \$100 application fee
- Sign and submit promissory note packet to [uscsfs@usc.edu](mailto:uscsfs@usc.edu)

**Online Submission of Employer Reimbursement:**  
<https://sfs.usc.edu/payment/employer-reimbursement/>
