Viterbi School of Engineering
University of Southern California

How to Apply – Spring 2021

WebEx Quick Facts

Will I be able to get a copy of the slides after the presentation?

YES!

How can I ask a question during the information session?

1. Using the Q&A Panel, type a question in the box below the Ask drop-down menu.
2. Select a recipient from the Ask drop-down menu.

3. Click Send. We will respond as soon as we are able.

UNIVERSITY OF SOUTHERN CALIFORNIA

USC Viterbi
School of Engineering

Viterbi School at a Glance

Academic Departments

- 8 Academic Departments

Faculty

- 191 tenure-track faculty
- 16 Full-time, TT NAE Members (30 Total)
- 70+ NSF CAREER, National & Presidential Young Investigator

Student Populations (Fall 2019)

- 2,848 Undergraduate
- 6,199 Graduate students

Research

- Leader in funded research
- 35+ Research Centers
- More than \$208M in research expenditures annually

Engineering Degree Options

**40 Master's degrees and 5 Graduate Certificates
available via online delivery**

Academic Departments

- Aerospace & Mechanical Engineering
- Astronautical Engineering
- Biomedical Engineering
- The Mork Family Department of Chemical Engineering & Materials Science
- Sonny Astani Department of Civil & Environmental Engineering
- Computer Science
- Ming Hsieh Department of Electrical and Computer Engineering
- Daniel J. Epstein Department of Industrial and Systems Engineering

Academic Disciplines

- Aerospace & Mechanical
- Astronautical
- Biomedical
- Chemical
- Civil & Environmental
- Computer Science
- Construction Management
- Cyber Security Engineering
- Electrical & Computer
- Energy & Sustainability
- Engineering Management
- Financial Engineering
- Green Technologies
- Industrial & Systems
- Petroleum
- Systems Architecting

How DEN@Viterbi Works

The Viterbi School of Engineering uses a state-of-the-art, proprietary web-based delivery system that enables students from around the world to access classes live or on-demand.

DEN@Viterbi Students:

- View the same lectures as on-campus students, with fresh content every semester
- Participate in highly interactive discussions with professors and peers
- Submit homework electronically
- Take exams at proctored testing centers near their home or work (or at USC if in the Los Angeles, Orange, or Ventura counties)

DEN@Viterbi Overview

	DEN@Viterbi Student	On-Campus Student
Program Admission	USC Graduate Application & required materials	USC Graduate Application & required materials
Weekly Course Lectures	Online with Interactivity	On USC's Campus
Online Course Archives (Lectures & Course Documents)	✓	✓ *
Assignments	Submit electronically according to course deadlines	Submit during lecture or lab according to course deadlines
Exams	Proctored location	USC's campus
Courses per Semester (Average)	1-2	3-4
Degree Completion Requirements	27-37 units with a 3.0 GPA or above	27-37 units with a 3.0 GPA or above
USC Diploma (No Distinction)	✓	✓

*DEN@Viterbi Sections Only

DEN@Viterbi's E-Learning System

DEN@Viterbi Classroom

Enrollment Category: Admitted

Graduation Requirements

- Minimum 27-37 units (8-12 courses) of approved graduate coursework with at least a 3.0 overall GPA
- Most DEN@Viterbi students take 1-2 courses per semester
- DEN@Viterbi students generally take 2.5-3 years to complete their degree

With departmental approval, a maximum of 4 units may transfer from another graduate institution.

DEN@Viterbi: How to Apply

Graduate Application

Welcome to University of Southern California

[Click here](#) for COVID-19 updates and FAQs related to your application.

For students seeking admissions for the Spring, Summer and Fall 2020 academic terms, please visit [here](#) to apply.

Thank you for your interest in graduate studies at USC. As a world-class, private research institution, USC offers more than 400 top-ranked programs across a broad array of disciplines and fosters one of the most diverse, dynamic campus populations in the US. Our students graduate uniquely prepared to meet the challenges of the 21st century.

As you prepare to apply to USC, we encourage you to visit [Apply to USC](#) to review the application process and checklist, including important dates and deadlines. For specific application requirements, visit the website for your

Colleges Attended

Report **all** colleges and universities attended (including community college, study abroad term, summer enrollment, ESL studies), regardless of:

- Their relevance to the programs you're applying to, and
- Whether the coursework completed there was transferred to another institution.

Also, report each institution only once, regardless of the number of degrees earned or gaps in the dates of attendance. List your institutions in chronological order, starting with the first one after high school graduation. **Students with qualifications from India must enter the name of the degree-granting university and not their affiliated college.**

Click **Upload Transcript** to upload a copy of your official, university-issued transcript on institutional letterhead. You can upload your official transcript after you submit your application. Note that unofficial transcripts without an official signature are not accepted.

Review USC's transcript requirements [here](#). For country-specific transcript requirements, please click [here](#). If required, use our [College/University Transcript Cover Page](#) to send official transcripts to USC.

Once you submit your application, you cannot edit previously entered colleges and universities, but you can add new colleges and universities.

+ Add a College or University

MY ATTENDED COLLEGES

UNIVERSITY OF SOUTHERN CALIFORNIA			/	x
August 2008 - May 2012	Semester System	Bachelor of Science Degree Earned: May 2012

Add all post-secondary educational institutions you have attended, including USC (if Limited Status or an alumnus).

You must upload a copy of your university-issued transcript (on institutional letterhead) for each institution indicated.

Academic History → Standardized Tests (GRE)

The screenshot shows the USC Viterbi application portal. The top navigation bar is red with the USC logo and text. Below it, a light blue bar contains links: 'My Application', 'Add Program', 'Submit Application', and 'Check Status'. The main content area is titled 'Standardized Tests' and features a circular progress indicator on the left showing '1/5 Sections Completed'. The 'GRE' section is highlighted. The form includes a question 'Have you taken the test?' with 'Yes' and 'No' radio buttons (the 'No' button is selected). Below this is a question 'When do you plan to take this test?' with a date input field showing 'MM/DD/YYYY'. At the bottom, there is an 'ETS Registration Code' input field. A red 'X' icon is visible in the top right corner of the form area.

GRE Update

GRE Update – Spring 2021 – Fall 2021 Applications

- Due to challenges that applicants may face in taking the GRE exam, the GRE exam will not be required for Spring, Summer, and Fall 2021 applications to Viterbi School of Engineering graduate programs.
- We perform a holistic review of the entire application, including overall academic records and success in courses that emphasize quantitative, scientific and engineering skills; personal statement; CV or resume; and any supplemental materials you provide in your application.

Questions about GRE exam can be found on the FAQ page:

<https://viterbigradadmission.usc.edu/programs/masters/faq/#application>

Update as of September 30, 2020

Supporting Information → Documents

The screenshot displays the USC Viterbi application portal. At the top, the USC University of Southern California logo is on the left, and a yellow question mark icon is on the right. Below the logo, there are three tabs: "My Application", "Add Program", and "Submit Application". The "My Application" tab is active, showing a progress indicator with a folder icon and a checkmark, labeled "0/5 Sections Completed". On the left sidebar, there are links for "Experiences", "Achievements", "Conferences Attended", "Memberships", and "Documents". The "Documents" link is highlighted. The main content area is titled "Documents" and contains a paragraph: "Provide supporting documentation for your application. You may update the information in this section at any time prior to submission. Once you have submitted, you will be able to add more documents if there are optional document uploads available to you, but you will not be able to replace existing document uploads with new versions or delete uploaded documents." Below this paragraph is a section titled "UPLOAD TIPS" with four icons and corresponding text: "Review Uploaded Documents" (document with magnifying glass), "Accepted File Types" (stack of papers), "Do Not Password Protect Your Documents" (lock icon), and "Conceal Your Social Security Number" (eye with slash). A large red arrow points from the "UPLOAD TIPS" section down to the "1. CV/Resume" section. The "1. CV/Resume" section has a blue button labeled "+ Add Document".

Resumé/Curriculum Vitae:

There is no 'right' approach to structuring your resumé/CV when updating it to apply for graduate school.

However, it is a good idea to take some time to identify the skills and achievements you would like to highlight for your graduate program and structure the document accordingly.

You will be required to upload a copy of your resumé/CV as part of your application.

My Application → Program Materials

The screenshot shows the USC Viterbi School of Engineering application dashboard. At the top is a dark red header with the USC logo and name on the left, and user information (Tommy Trojan, CAS ID: 6930829225) and a 'Sign Out' button on the right. Below the header is a navigation bar with four tabs: 'My Application' (active), 'Add Program', 'Submit Application', and 'Check Status'. The main content area has a background image of a university building. On the left, under the 'My Application' heading, is a description of the dashboard and a 'Latest Notifications' box containing two messages about the application status. On the right, under the 'Program Materials' heading, is a progress indicator showing '0/1 Sections Completed' and a blue box for the 'Aerospace and Mechanical Engineering (Computational Fluid and Solid Mechanics) (M.S.)' program.

Documents

Personal Statement

You are required to submit a Personal Statement for our program. The personal statement should describe succinctly your reasons for applying to the proposed program at the Viterbi School of Engineering, your preparation for this field of study, study interests, future career plans, and other aspects of your background and interests which may aid the admissions committee in evaluating your aptitude and motivation for graduate study. There is no required/recommended format or length for the personal statement.

Other Documents

If you wish to submit any other supplemental documents to support your application, then please do so using the OTHER section below:

UPLOAD TIPS

Review Uploaded Documents

The uploading process may have altered your formatting. Please review before submitting.

Accepted File Types

.doc, .docx, .pdf, .rtf, .txt, .jpg, .jpeg, .png. The size limit for each file upload is 15MB.

Do Not Password Protect Your Documents

Protected documents will not be sent with your application.

Conceal Your Social Security Number (SSN)

Only use correction marks (redacting marks) before submitting.

Required Documents

* **Personal Statement**

[+ Add Document](#)

Optional Documents

Upload personal statement (required for all programs). Succinctly indicate reasons for applying to program (i.e. prep for field of study, interests, future career plans, etc.)

Supplemental documents may be uploaded to support your application (optional).

- For a list of the supplemental materials required for your degree program, please visit individual program pages for details: <http://viterbi.usc.edu/DENDegrees>

Program Materials → Recommendations

If applying to a program requiring Letters of Recommendation, add the name and information for each recommendation provider in the “Recommendation” section.

Once you have saved an electronic evaluation request, an email will automatically be sent to the evaluator on your behalf.

Do NOT wait to submit your application even if your letters have not yet been submitted by your recommenders. This is a separate module of the application.

You WILL be able to check the status of letters once the application has been submitted.

The screenshot displays the USC Viterbi application portal. At the top, a red header bar contains the USC University of Southern California logo and navigation links: "My Application", "Add Program", "Submit Application", and "Check Status". A user profile in the top right shows "Tommy Trojan" with a "Sign Out" button. Below the header, a sidebar on the left indicates "0/1 Sections Completed" with a circular progress indicator and lists "Astronautical Engineering (M.S.)" and "Viterbi School of Engineering". The main content area features the "USC Viterbi" logo and a sub-header for "Astronautical Engineering (M.S.)" with a "Deadline: 09/15/2020". Navigation tabs include "Home", "Questions", "Documents", and "Recommendations". The "Recommendations" section is active, displaying the title "Recommendations" and explanatory text: "Recommendations are required. Recommendations should be from faculty or others (supervisors, professional colleagues, etc.) qualified to evaluate your potential for graduate study. Recommendations should be submitted through the online application." It also states: "Once you have saved an electronic recommendation, an email request will automatically be sent to the recommender on your behalf. Please advise your recommender to look for this email in their inbox, as well as their spam or junk-mail folder, as emails do occasionally get filtered out." A large red arrow points to a button labeled "+ Request Comprehensive Recommendation Recommendation". Below this, a box shows "Comprehensive Recommendation" with a status of "2 required - 6 total allowed".

Please complete the questions below.

Online or On-Campus: Identify how you intend to pursue your graduate degree program.

[DEN@Viterbi](#) currently offers 40+ master's degree and graduate certificate programs entirely online, to engineers located anywhere in the world. You can review a list of programs available fully online by clicking [here](#).

There is no difference in the USC admission requirements when pursuing your degree on campus or online via DEN@Viterbi.

Pursuing Programs while Located Outside the United States

Individuals pursuing their graduate program online from outside of the United States must review the required pre-approval steps found at [DEN@Viterbi - Pursuing Programs Outside the United States](#).

Important Note: In order to pursue programs from outside the United States, individuals must receive approval from DEN@Viterbi prior to submitting the online graduate application for admission. Please note, international students requiring an F1 visa are not eligible to pursue their graduate degree program online.

Online or On-Campus: Identify how you intend to pursue your graduate degree program.

* Do you intend to pursue your graduate program fully online via DEN@Viterbi?

☐ Yes ☐ No

DEN@Viterbi Applicants:

Applicants intending to pursue their program online via DEN@Viterbi should complete the 'Questions' section in its entirety.

If admitted, this will enable USC Viterbi to send you appropriate information regarding registering as a DEN@Viterbi student.

Viterbi Graduate Admission

For any questions following the submission of your application, please contact Viterbi Graduate Admission:

Email: viterbi.gradadmission@usc.edu

When contacting USC, reference your unique 10-digit USC ID number.

Application Deadlines

Upcoming Application Deadlines

Spring 2021

- Extended Application Deadline for DEN@Viterbi (online) applicants to submit all required materials: November 15, 2020

Fall 2021

- Deadline to submit all required materials: January 15, 2021*

** A deadline extension for DEN@Viterbi applicants may be available. Please email DEN@Viterbi.usc.edu for more information.*

USC Graduate Application:

<https://usc.liasoncas.com>

Frequently Asked Questions

When will I find out my admission's decision?

Applications will not be reviewed until all required materials have been submitted.

The length of time it takes for an application to be reviewed varies by department and degree program. After your application package is complete, it is sent to a graduate committee for review. Once a decision is made, an official decision letter will be sent to you.

Frequently Asked Questions

If I am denied admission, can I still take classes via DEN@Viterbi as a Limited Status Student?

Individuals that have been denied admission to a graduate program at the USC Viterbi School of Engineering are no longer eligible to enroll as a Limited Status Student.

If you are denied admission, we do encourage you to reapply for formal admission for a future semester.

Tuition (2020-2021)

USC Viterbi graduate engineering and computer science tuition rates:

ACADEMIC YEAR	Per Unit Cost	Tuition for 3-Unit Course	Tuition for 4-Unit Course
Fall 2020 – Summer 2021	\$2,148	\$6,444	\$8,592

DEN@Viterbi Scholarship

Merit-based scholarship awarded to outstanding students pursuing a master's program fully online via DEN@Viterbi

Scholarship Details

- Partial scholarships ranging from 1-4 units of tuition are available for students pursuing a Viterbi master's program fully online and who receive partial or no tuition reimbursement funds from their employer
- Funding provided during awarded academic year. Applicants can reapply each academic year for future scholarship consideration
- Deadline to apply for **Spring 2021: December 4, 2020**

More Information & Application:

<https://viterbi.usc.edu/gradscholarships>

Employer Reimbursement Deferment

Students supported by a company can defer payment of up to 90% of tuition until after the semester is over.

Program Eligibility

- Your employer reimburses you for tuition at the end of each term.
- Your student account is current.

Program Participation Requirements (required every semester prior to the settlement deadline each term)

- Complete and submit deferment application
- Pay 10% of tuition, 100% of all fees and a \$100 application fee
- Sign and submit promissory note packet to uscsfs@usc.edu

Online Submission of Employer Reimbursement:
<https://sfs.usc.edu/payment/employer-reimbursement/>
